THE AMAZON RAINFOREST BY GOWSIITH

A world of beauty

Exotic; vibrant; tropical

Vivid birds twitter in the breeze

Endless, emerald trees

Weird and wonderful

A gigantic, green bush

Shimmering, sky-blue streams

An explosion of colours

The heart and lungs of earth

Elated...

Full of joy and fear

Viridian leaves trap me

Perspiration runs from me

Sweet –scented aromas fill my nostrils

Heat spreads over me
